A Message from your Co-Chairs

Renovations Update

Our building, Winters College, is still under renovation. The Co-chairs recently met with the renovations coordinator to see how YGSE and graduate students will be effected. We're excited to announce we will have a graduate student suite with a kitchen, meeting space, computers, lockers, a YGSE office, and a seating area. [Please consult our Google Slides presentation for more info.](#) Renovations are scheduled to be done in April.

YGSE Graduate Conference: May 11-13

Save the date for our graduate conference. There will be lots of workshops for graduate students and you can learn what your peers are researching!
